Vredenburg Awareness Project

22 July 2022

On Friday 22 July 2022 all reported at the assembly Ipic Centre Assembly point at 22:30. Vredenburg Law Enforcement, SAPS, GPF, Alex Alarms, Night Vision Neighborhood watch, Vredenburg Neighborhood watch, Ou Dorp Neighborhood watch and Esperia Neighborhood watch and MSO/HSP Security came together.

CBD, Industrial 1 (police station area) and Industrial 2 (opposite Weskus Mall) were patrolled with vehicles. Neighborhood watch members patrolled their normal routes from 23:00 until 00:00.

No serious incidents were reported.

One drunk driver was stopped, another person on foot under the influence of alcohol was taken home and people sleeping on the street was monitored. Concerns highlighted like no shelter available in Vredenburg.

At 00:15 all reported at the Ipic Centre for a debriefing by Mr. J. Retief (GPF). A patrol with all vehicles +- 40 vehicles was done throughout the town and all departed.

We are positive that the Objective of this project was achieved.

We would like to thank all for their effort and taking part in this awareness project. Thank you for their time and for taking securing our town and making a difference for our community.

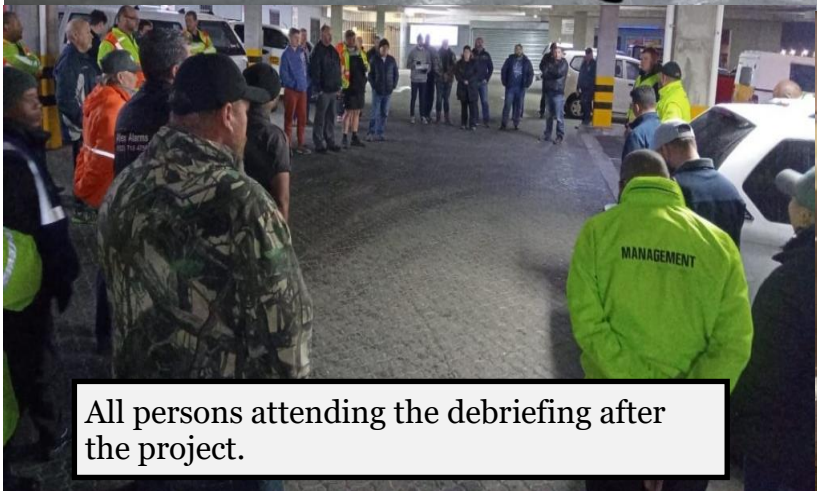

Briefing session before the start of project.

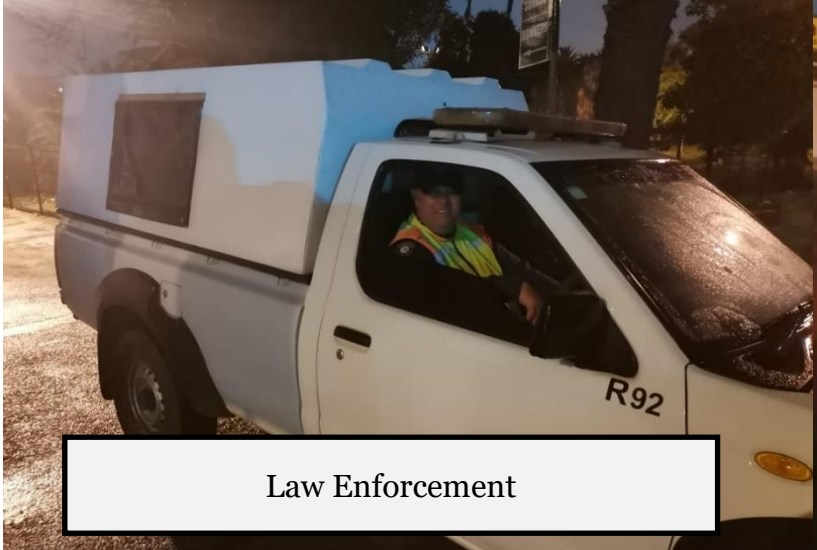

Retail and Quality Manager Mr.van Rooyen briefing HSP/MSO personnel briefing session before the start of project.

All persons attending the debriefing after the project.
